

Please see the Pro Tool Innovation Awards Categories page for a complete list of tool, fastener, and accessory categories.

The entry fee per product is \$199 until midnight (EST) of the Early Bird deadline date and \$269 from then until the final deadline for entries. You can enter a tool, accessory, or fastener in more than one category, but each additional category/entry will require an additional administrative fee. Please see [protoolinnovationawards.com](http://protoolinnovationawards.com) for official rules and more details.
